

Sea Grant  
50  
YEARS

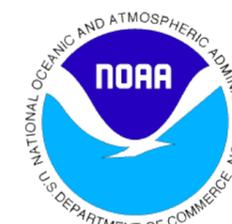

*We all have a connection to  
water resources.  
What is your most memorable or  
favorite story about water?*

*Share your “waterway moment” using  
#SeaGrantWater*

In 2016, NOAA Sea Grant celebrates 50 years of putting science to work for America’s coastal communities through research, extension, and education. Sea Grant is highlighting a different area of focus each month during the anniversary year. The theme for July is Water Resources.
