

NEW HAMPSHIRE SEA GRANT

2015 Sea Grant Site Review

New Hampshire Sea Grant College Program Site Review Team Agenda

May 5-7, 2015

Tuesday, May 5

Afternoon

Site Review Team Arrival at Three Chimneys Inn

Site Review Team Members

Lori Arguelles, Executive Director, Alice Ferguson Foundation

Dale Baker, Co-Chair, National Sea Grant Advisory Board

Jim Falk, Acting Director and Marine Advisory Service Director, Delaware Sea Grant College Program

Chris Hayes, Chair and Program Officer, National Sea Grant Office

Philip Hoffman, Acting Evaluation Team Lead, Office of Policy, Planning and Evaluation, NOAA Office of Oceanic and Atmospheric Research

6:00pm

Welcome Dinner and Site Review Team Meeting – Three Chimneys Inn
Site Review Team (closed session)

Wednesday, May 6

7:45am

Travel from Three Chimneys Inn to Thompson Hall
(UNH van to pick up in front of the Three Chimneys office)

8:00am

Program Management and Organization – UNH Setting and Administration
Trustee's Board Room, Thompson Hall

UNH Leadership

Lisa MacFarlane, Provost

Jan Nisbet, Senior Vice Provost for Research

Jonathan Pennock, Director, N.H. Sea Grant

8:45am

Travel to Admiral's Conference Room, Chase Ocean Engineering Laboratory

9:00am

Program Management and Organization

N.H. Sea Grant Executive Committee

Jonathan Pennock, Director

Stephen Jones, Associate Director and Assistant Director for Research

Julia Peterson, Assistant Director for Extension and Extension Program Leader

Mark Wiley, Assistant Director for Education

Steve Adams, Assistant Director for Communications

N.H. Sea Grant Staff

Sally Nelson, Senior Administrative Assistant, Program Management & Research

Lisa Scigliano, Senior Grant and Contract Administrator, Sponsored Research Administration

Linda Tibbetts, Interim Fiscal Officer and Post-Award Support

Organization and Support

- Welcome and Overview
- N.H. Sea Grant within the University of New Hampshire
- N.H. Sea Grant Staffing
- Executive Committee
- Policy Advisory Committee & Stakeholder Engagement
- Partnership with UNH Cooperative Extension
- Fiscal Management
- Collaborative Network and Program Activities
- Addressing Suggestions from 2011 SRT

10:15am

Break

10:30am

Programmed Team Approach – Integrated Research, Extension, Education and Communications

- Strategic Planning
- Addressing Priorities through Competitive Research
- Integration through Engagement
- Northeast Sea Grant Consortium
 - **Sylvain De Guise**, Director, Connecticut Sea Grant College Program and President, Sea Grant Association (Via WebEx)
- Communicating Results
 - NHSG Communications Team
 - **Steve Adams**, Assistant Director for Communications
 - **Susan Chalifoux**, Program Manager and PIER Reporting Lead
 - **Rebecca Zeiber**, Science Writer and Social Media Lead

12:00pm

Lunch Discussion with UNH Academic, Research and Extension Leadership

UNH Academic and Research Leadership

Ken La Valley, Dean and Director, UNH Cooperative Extension

Larry Mayer, Director, School of Marine Science & Ocean Engineering

Sam Mukasa, Dean, College of Engineering & Physical Sciences

Jon Wraith, Dean, College of Life Sciences & Agriculture

1:00pm

Break

1:15pm

Linking Science to Stakeholders: Healthy Coastal Ecosystems Focus Area

Facilitator – **Stephen Jones**, NHSG Associate Director and Assistant Director for Research

Nutrient Processes in the Great Bay Estuary

Linda Kalnejais, Assistant Professor, UNH Institute for the Study of Earth, Oceans and Space, and Earth Sciences Department

Cory Riley, Manager, Great Bay National Estuarine Research Reserve

Wil Wollheim, Assistant Professor, UNH Department of Natural Resources and the Environment and the UNH Institute for the Study of Earth, Oceans and Space

Vibrio, Oysters and Human Health

Stephen Jones, NHSG Associate Director and Assistant Director for Research

Chris Nash, Shellfish Program Manager, N.H. Department of Environmental Services
Shellfish Program

Cheryl Whistler, Associate Professor, UNH Department of Molecular, Cellular and Biomedical Sciences

Engaging Students and Volunteers in Water Quality Monitoring

Alyson Eberhardt, NHSG Coastal Ecosystems Extension Specialist

Mike and Terry Stockdale, Coastal Research Volunteers

Linda Schier, Coastal Research Volunteer and Executive Director, Acton Wakefield Watersheds Alliance

2:30pm

Break

2:45pm

Linking Science to Stakeholders: Marine Literacy Focus Area

Facilitator – **Mark Wiley**, NHSG Assistant Director for Education

Addressing Literacy through Volunteers

Sally Gayer, Chair, Marine Docent Advisory Committee and Co-Leader of the Coastal Floating Lab Program

Addressing Literacy through Collaboration

Allan Waterfield, Seacoast Science Center Board Member

Addressing the STEM Challenge

Steve Hale, Associate Professor, UNH Leitzel Center for Mathematics, Science and Engineering Education, and Collaborator with STEM N.H.

4:00pm

Discussion with the NHSG Policy Advisory Committee

N.H. Sea Grant Policy Advisory Committee Members

Joe Boyer, Director, Center for the Environment, Plymouth State University

Erik Froburg, Education Coordinator, UNH Leitzel Center

Cynthia Hays, Assistant Professor, Biology Department, Keene State College

Dave Kellam, Communications Consultant, Exeter, N.H.

Richard Langan, Director, NOAA/UNH National Estuarine Research Reserve
System Science Collaborative

Wendy Lull, President, Seacoast Science Center, Rye, N.H.

Paul Stacey, Research Coordinator, Great Bay National Estuarine Research Reserve

Cameron Wake, Research Associate Professor, Complex Systems Research Center, UNH

5:00pm SRT Executive Session/Check-In with NHSG Leadership

5:10pm Travel to Three Chimneys Inn

5:30pm **Social and Student Poster Session**
(Three Chimneys Inn)

Ocean Projects/TECH 797 Students
Brian Doyle Marine Extension Fellows
English 502 Technical Writing Students
NHSG-supported Graduate Students

7:30pm Dinner & SRT Meeting – Blue Latitudes, Dover
Site Review Team (closed session)

Thursday, May 7

8:00am Travel to Admiral's Conference Room, Chase Ocean Engineering Laboratory

8:30am **Linking Science to Stakeholders: Fisheries & Aquaculture Focus Area**

Facilitator – **Erik Chapman**, NHSG Commercial Fisheries Specialist

Supporting Adaptation in Wild Fisheries
Erik Chapman, NHSG Extension Fisheries Specialist
Tommy Lyons, N.H. Commercial Fisherman

Seafood Marketing and Alternative Markets
Gabriela Bradt, NHSG Commercial Fisheries Specialist
Charlie French, Program Team Leader, UNH Cooperative Extension Community
and Economic Development Program
Evan Hennessey, Chef, Stages at One Washington, Dover, N.H.

Developing Aquaculture in New Hampshire
Michael Chambers, NHSG Marine Aquaculture Specialist
Jay Baker, Commercial Oyster Farmer, Fat Dog Shellfish

10:00am Break

10:15am **Linking Science to Stakeholders: Communities & Climate Resilience Focus Area**

Facilitators – **Julia Peterson**, Assistant Director for Extension and Program Leader, and
Chris Keeley, NHSG Communities and Climate Program Coordinator

Collaborating to Build Resiliency to Coastal Hazards
Amanda Stone, N.H. Coastal Adaptation Workgroup Outreach Coordinator, UNH
Cooperative Extension
Steve Bird, City Planner, Dover, N.H.

Collaborating to Promote Sustainable Development in Coastal Communities
Jillian McCarthy, Stormwater Coordinator, N.H. Department of Environmental Services

11:45am SRT Executive Session/Check-In with NHSG Leadership

12:00pm	Working Lunch – SRT (closed session) (Admiral's Conference Room)
1:00pm	SRT Work Time (closed session) (Admiral's Conference Room)
3:30pm	Debrief with N.H. Sea Grant Leadership N.H. Sea Grant Executive Committee
4:00pm	Debrief with UNH Administration Jan Nisbet , Senior Vice Provost for Research, UNH Larry Mayer , Director, School of Marine Science and Ocean Engineering Jonathan Pennock , Director, N.H. Sea Grant
TBD	Depart for Portsmouth/Seacoast
6:45pm	Dinner – Jumpin' Jays Fish Café, Portsmouth SRT Members and N.H. Sea Grant Executive Committee
