Now open...

2021 NOAA Fisheries-Sea Grant Joint Fellowships Opportunity

More info at:
bit.ly/NMFS-SG-fellowship

The NMFS-Sea Grant Joint Fellowship Program in Population and Ecosystem Dynamics and Marine Resource Economics places Ph.D. students in research-based fellowships that provide support for up to three years. The program is designed to fulfill workforce development needs identified by the NOAA National Marine Fisheries Service (NMFS) and since 1990, has provided opportunities for 144 Ph.D. students.

The opportunity to apply for 2021 fellowships is now open. Applications are due to Sea Grant programs on January 26, 2021. See links below for additional information on applying:
